

Job Title: Trainee Tax Adviser

The Company: Cusack Garvey, Chartered Tax Advisers & Chartered Certified Accountants

Cusack Garvey is a leading medium sized chartered tax advisory and accountancy firm. We offer traditional accounting, finance and tax consulting services as well as value added solutions. We have an experienced team who deal with clients from a range of professions, businesses, not-for-profit organisations, and government agencies predominantly based in Ireland and the UK.

Job Description:

- Trainee Tax Consultant required to work in accountancy and tax practice.
- Managing a portfolio of clients including sole traders, partnerships, not-for-profits, companies and HNW individuals.
- Tax compliance
- Identifying tax planning opportunities for clients.
- Managing tax assignments for larger corporation tax clients with an emphasis on international tax planning.
- Reporting directly to Tax Partner on tax assignments and ensuring completion to strict deadlines.

Person specification:

- Qualified accountant (ACCA, CAI or CPA)
- Minimum of two years experience in Practice, preferably medium sized practice.
- Proven ability to operate to strict deadlines and deliver projects within budget
- Excellent attention to detail, ability to use initiative and good problem solving skills.
- Ability to manage multiple projects concurrently
- Self-motivated, ambitious, diligent, team player with good interpersonal skills.

Salary and benefits: Salary and other benefits negotiable depending on relevant experience.
